

CAPABILITY STATEMENT

Samaritan Protective Services is a globally recognized risk management firm with offices in the Washington D.C. area and London, England. The company's resources and capabilities are equipped to assist around the world. Our clientele includes high-profile entities such as corporate executives, diplomatic missions, and government bodies. We pride ourselves on offering comprehensive risk management services without compromise, with an extensive global network of skilled personnel and assets.

SAMARITAN'S SECURITY & RISK MANAGEMENT SOLUTIONS:

Executive Protection | Global Travel Escort | Uniformed Security | Special Event Security Management | Intelligence & Risk Advisory Consulting | Special Operations | Technical Surveillance Countermeasures (TSCM) | Mobile Surveillance / CCTV Technology

EXECUTIVE PROTECTION

In an increasingly unpredictable and volatile world, the need for executive protection services has become more vital than ever before. Organizations, public figures, and high-net-worth individuals are exposed to a plethora of risks, from potential threats to their personal safety to the security of their valuable assets. Samaritan Protective Services, a renowned global agency, provides world-class Executive Protection and Personal Protection services, supporting clients with expert risk mitigation and peace of mind.

EVENT SECURITY MANAGEMENT

Special and corporate events serve as the perfect platforms for businesses to showcase their products, celebrate achievements, and foster networking opportunities. Samaritan is here to ensure the safety of attendees, staff, and assets is of paramount importance for event organizers. Samaritan plays a crucial role in making events not only successful but also secure.

UNIFORMED SECURITY

Uniformed Security is a specialized security service provided by Samaritan Protective Services, wherein highly trained, licensed, and professional Security Officers are deployed to protect clients' interests. The service is designed to create a visible deterrent, maintain a secure environment, and respond promptly to emergencies. Samaritan Officers are extensively trained to handle diverse security challenges, making them an invaluable asset for any organization or individual seeking robust protection.

MOBILE SURVEILLANCE UNITS

Whether you're safeguarding a construction site, residential community, monitoring a remote area, or ensuring the safety of a public event, our Mobile Surveillance Units (MSUs) provide the ultimate solution. These cutting-edge units are designed to offer unparalleled security, flexibility, and peace of mind, no matter the location or conditions.

WE TAKE YOUR PROTECTION SERIOUSLY AND PROVIDE A CUSTOM-TAILORED SECURITY PLAN SPECIFIC TO YOUR NEEDS.

WE ARE PROFESSIONAL | VIGILANT | CAPABLE

TECHNICAL SURVEILLANCE COUNTERMEASURES (TSCM)

In today's digital age, where information is the most valuable asset, ensuring the utmost privacy and security has become an imperative for individuals and organizations alike. With the rise of sophisticated surveillance technologies, the risk of unauthorized monitoring and data breaches has escalated significantly. Samaritan Protective Services, a nationwide provider of Technical Surveillance Countermeasures (TSCM), offers a robust solution to protect sensitive information from prying eyes and ears. Utilizing cutting-edge technology and highly trained technicians, TSCM plays a pivotal role in safeguarding the sanctity of confidential spaces such as boardrooms, corporate events, residences, diplomatic missions, and more.

SECURITY TECHNOLOGY

Our mobile surveillance units are engineered to meet the evolving challenges of security management. Easily deployable and adaptable to any environment, they serve as an extra layer of protection where traditional security measures fall short. Our dedicated walk through metal detectors and specialty trained personnel secure venues and events of all types and sizes. We are a "one stop" for security and have the assets and personnel required to handle tasks large and small.

INTELLIGENCE & RISK ADVISORY CONSULTING

In today's ever-evolving world, information holds immense power. For businesses, organizations, and individuals alike, the ability to access timely and relevant intelligence is vital for making informed decisions and mitigating potential risks. We are a global leader in providing top-tier intelligence and investigative services, employing highly trained and experienced collection specialists and analysts to deliver invaluable insights to decision-makers worldwide. Additionally, Samaritan provides risk advisory services, ensuring the safety and continuity of businesses and their assets, worldwide. Samaritan Protective Services, a leading security consulting offers a suite of comprehensive solutions that address these challenges head-on.
